

Sedona Transcendence Retreat

Outdoor Journeys and CE5 Contact Work

SPECIAL OFFER to locals in Arizona!

We're getting SO excited about our upcoming retreat just a few weeks away! We have received so many requests from those within driving distance to offer an overnight package and to offer the CE5 Under the Stars exclusively. We want all our brothers and sisters interested in engaging in what we're offering to have the opportunity to do so. That has inspired us to create the following CE5 Packages that include Outdoor Journeys and the CE5 as well as a CE5 Only Pass. These do not include the presentations, performances and workshops taking place inside the event venue. See Retreat Passes available on the website at www.sedonatranscendenceretreat.com.

If you'd like to come to Sedona for an overnight stay, you can join us Saturday afternoon (9/21/24) through Sunday afternoon (9/22/24) for both Outdoor Journeys and the CE5 Under the Stars. If you live within driving distance, you may want to attend an Outdoor Journey and/or the CE5 Under the Stars only.
