

Galactic Alchemy

Activating Personal Transformation through the Galactic Heritage Cards

Zoom Seminar from Lyssa Royal Holt

May 10-11, 2025 | Held on Zoom, Broadcast from Phoenix, AZ

In 2010, Lyssa Royal Holt channeled the *Galactic Heritage Cards* -- a set of 108 cards that mirrors the evolutionary process of humans as part of our galactic family. These cards are a tool that can offer profound insight into a person's spiritual journey on Earth as it is connected to the patterns brought with them from the stars. After giving thousands of readings to clients and immersing herself in the immense depth of wisdom the cards can offer, she is now offering an experiential training workshop to help individuals learn to use the cards for their spiritual growth and to assist others as well.

→ *This is **not** a workshop for beginners to Lyssa's work or to the cards. Participants should have some familiarity with Lyssa's channeled material and the cards before attending this event!* ←

This 2-day workshop will include the following:

Day 1: Conceptual Foundations

On day one we will explore the foundations of the card system, why it works, and how to access the bigger picture. We will also journey through sections of the cards (the ET species and themes) and examine their deeper meanings and how those meanings can be applied to life on Earth now. Included will be:

- In depth channeled material about the ET species and card themes
- Basics of the card system and its structure
- Simple holographic theory and why using the deck can create profound alchemy within us
- Instructional sample readings by Lyssa for some group members
- The role of intuition in the card system
- Experiential exercises and practice readings in Zoom breakout rooms

Day 2: Practice and Methods

On day 2, we will go more into the experience of not only reading the cards but opening ourselves to access the energy they can transmit to assist in our awakening process. The day will include:

- Layouts and ways to use the cards
- Practice readings (partner work on Zoom)
- Experiential energy transmissions based on the cards
- Learn to feel the energy of the archetypal species in the deck
- Sample readings from Lyssa/Germane
- Practice readings in Zoom breakout rooms with Lyssa's assistance
- Exploring creative ways to use your card deck

- Much more!

What to Prepare:

- You must use your *Galactic Heritage Cards* deck in this workshop, and each participant should have their own deck with them. (If you only have the app that is available on Apple or Google, it isn't sufficient – you must have a physical deck). Decks can "charge up" in events like this, and if you use your own deck, you will notice a difference! If you do not yet have a deck, you can purchase one at www.amazon.com or www.lighttechnology.com .
- A notebook, pens, and the usual workshop items that you need.
- Print out the files we will send you before the event begins.
- Have a desk space large enough to lay out a 7-card spread.
- All participants will need to participate in group or partner work in the Zoom breakout rooms. Please be sure your device and Zoom account allow you to work in breakout rooms easily.
- Be sure to test your camera and audio connection before the workshop begins.

Workshop Times:

Saturday May 10 and Sunday May 11, 2025, from 10am to 4pm both days, with a lunch break. (Arizona time).

Preparing for the Event:

Because we will not have time to explore every detail of every card in depth, we recommend that you prepare well before this event, with the following suggestions:

- **Read the booklet** that comes with the cards before the event if you haven't already. It is just a basic booklet, and the workshop will go much more into depth.
- Check out our **YouTube channel** at: <https://www.youtube.com/channel/UCeuLbnOjJBUfqqm2KEqkpLA>. We have a series called "Journey through the Galactic Heritage Cards." (See the playlists). There are channeled videos that discuss every card in the deck. It may be a lot of info to watch, but you can get a great head start by viewing those videos.
- Read our **Card of the Month** section on our web site at <http://www.lyssaroyal.net/card-of-the-month.html>. Each month, we pick a card and channel a message for that month. The text is posted on our web site in this section, as well as being posted on the [Lyssa Royal Group Page](#) on Facebook. This can give you a much more comprehensive understanding of individual cards in the deck and how they can apply to your life.
